

You and all members of your laboratory or direct reports have read and are familiar with the guidelines for restarting research as outlined by:

- Emergency Operations Committee
- SOM

You and all members of your laboratory or direct reports have:

- Meet all travel criteria to return to work
- Completed the Covid-specific training module
- Understand the requirements for physical distancing, masks, and appropriate use of PPE

You and all members of your laboratory or direct reports agree to:

- Wear a mask
- Maintain physical distancing
- Record a daily screening log
- Work schedule (shift work, remote work etc.)
- Immediately report to your supervisor if you are experiencing symptoms of Covid-19
- Clean all active work surfaces and equipment at end of workday or shift

In your laboratory or workspace do you have appropriate and sufficient PPE and cleaning materials to safely re-engage in operations:

- Do you have appropriate and sufficient PPE
If not, outline requirements: [Click here to enter text.](#)
- Do you have appropriate and sufficient cleaning materials
If not, outline requirements: [Click here to enter text.](#)

Please describe details of any planned shift work including numbers of personnel and start and end times of shifts
